

22 DAYS FOR 2022: IGNITE THE BOILER ROOM

God spoke to us in 2021 about what is now a 5-year word of the Queen Mary being retrofitted into a troop carrier. This is based on two timeless scriptures of Acts 1:8 and Isaiah 54:2-3. As we come into 2022, God has spoken from this same imagery and illustration that the ship is setting sail and we are to “ignite the boiler room.” The Queen Mary had the largest boiler room on water and powered the ship to be the fastest on water during her time!

God has spoken to us locally and as a movement for 2022 to “ignite the boiler room” and begin to move “full steam ahead.” He has led us to a specific biblical outline of strategies and initiatives to follow Him in this hour (see Antioch Movement Word of the Lord document).

So, we believe we are to begin 2022 by consecrating our lives through worship, prayer and fasting. We want God to ignite our hearts, our homes, our churches, and our movement. Jesus said, ‘my house will be called a house of prayer for all the nations.’ The time is now for us to respond wholeheartedly to this call!

Vision: “Ignite the Boiler Room” ---22 days of worship, prayer, and intercession (Jan 10-31)

What are we praying for:

1. **Hunger** for Jesus and deep consecration to Him and love for Him
2. **Freedom** from sin and the weights that so easily entangle us
3. **Outpouring** of the Holy Spirit to live and proclaim boldly the gospel
4. **Praying into** the Word of the Lord to us as a community
 - “Strengthen the pegs”: Get healthy and stay healthy (Isaiah 54:2)
 - Ignite a movement-wide boiler room of worship and intercession (Acts 1:8, Is. 62:6-7)
 - Empower the next generation (Isaiah 54:3)
 - Repurpose for mission (Acts 1:8, Isaiah 54:2-3)

Lifestyle: Set aside time with Jesus in worship, Word and prayer. Prayer walking/running; 22 days of listening/journaling

God, what do you want me to fast from during these 22 days?
